A NOTE TO OUR READERS

In this, our fifth annual issue on New York State Constitutional Law, the *Touro Law Review* is proud to once again provide its readers with a comprehensive look at the decisions of the New York courts on issues impacting the State Constitution. We have spent this past year compiling those cases which base their decisions on the New York State Constitution. Further, where applicable, we have compared these issues to their federal counterparts. We hope that all members of the legal community find this compilation to be a useful tool in both practice and academia.

The *Touro Law Review* would like to extend its thanks to Professor Martin A. Schwartz for the guidance and support necessary to successfully compile and publish this important issue.
